## THESE STOOD AT THE TOP IN 1950—

These two daughters of Riverdale x, Sporting Field Queen 2d x and Sporting Field Augusta x, stood first and second in class at the Ohio and Maryland State Fairs in 1950. Sporting Field Queen 2d x was the reserve champion female. They are typical Sporting Field Productions, both sired by Riverdale x.

## LOOKS LIKE THESE WILL WIN IN 1952—

A trio of beautifully bred Polled Shorthorn heifers at Sporting Field Farm, all by Cherry Hill Souvenir x. These are the kind that will sell in our auction sale. They are the kind upon which successful herds may be founded.

A family group . . . Mr. and Mrs. W. H. McCeney, Jr., owners of Sporting Field Farm, and their two lovely daughters, Jenny and Joy.

**W**ELCOME to Sporting Field Farm! This is our First Annual Sale and we have awaited this day with great anticipation. We believe in Polled Shorthorns because they seem to have wrapped in their beautiful hides all of the things that make farming and ranching both pleasant and profitable.

The Sporting Field herd has grown to a point where approximately 100 calves are produced each year, a number that taxes our barn facilities. Although later auctions will be made up entirely of our own productions, we are satisfied with our first offering since the single individuals and the calves that sell with their dams provide proof that the Sporting Field herd bulls are doing a fine job. We are particularly proud to include seventeen cows with calves at foot and rebred because experience proves that these are the safest of all buys.

We hope you will be with us on sale day. We like Polled Shorthorn folks and to have you all with us at Sporting Field Farm will be a pleasant experience in our lives.

Mr. & Mrs. W. H. McCeney, Jr.

## General Information

**DATE**—This sale will be held under cover at Sporting Field Farm, owned by W. H. McCeney, Jr. This farm is located on the north side of Federal Highway 50 at Capon Bridge, West Virginia, twenty miles west of Winchester, Virginia, and 20 miles east of Romney, West Virginia.

We will be glad to make reservations for those who notify us.

**TRAVEL DIRECTIONS**—Since the farm is located on Route 50, one of the principal highways of the country, directions are unnecessary for those who will travel by car or bus. **AUCTIONEER**—J. E. Halsey.

**PLEASE NOTE**—Those who wish to secure further information about the cattle in this sale or regarding travel or hotel accommodations should get in touch with the owner, W. H. McCeney, Jr., Capon Bridge, West Virginia, or the sale manager, Hal Longley, 16 South Locust Street, Aurora, Illinois.

Certificates of registry and transfer will be furnished with each lot sold. Every precaution will be taken to see that animals arrive in sound and healthy condition.

Neither the clerk of the sale, nor the individual designated as the Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

**INQUIRIES ABOUT CATTLE LISTED**—The Sale Manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. # A Sale YOU Should Attend

**A** BREED progresses in direct ratio to the quality of the men who are its leaders.

The Polled Shorthorn industry may well feel proud of the leadership of such men as W. H. McCeney, Jr. Any new prospective buyer who might visit his farm would be inspired with the Sporting Field herd and the methods used in its operation; and any who sought counsel would receive the honest advice of a man who really knows.

The Sporting Field herd was originally founded on top females selected from the Cherry Hill, Oakwood and Hultine herds. The first herd bull, the \$5,000 Riverdale x, was purchased from Albert Hultine & Sons, Saronville, Nebraska, after he had won grand championships at the Illinois, Iowa and Nebraska State Fairs and after he had been used liberally in the Hultine herd. He is still in service and the record of his calves gives him a rating among the topmost sires of the day. Through the purchase of the entire herd of Merritt Lockwood, Tuscarora, Maryland, the great sire Cherry Hill Royal Mirth x by Edellyn Royal Leader 2d was obtained. Through the purchase of the entire 80 head West Hatton herd owned by Foster M. Reeder, Mt. Victoria, Maryland, the good sire Cherry Hill Souvenir x by Collynie Compact x was secured and his calves on sale day will provide proof to all that he is one of the greatest sires ever bred at Cherry Hill.

The herd has gained further strength through the use of Cherry Hill Emissary x by Collynie Compact x, a proven sire purchased from Harry L. McCann, and the use of Commander-in-Chief x, the great sire owned in partnership with Oakwood Stock Farm. The latter bull sired the first prize "get" at the 1951 International.

The get and service of all of these famous bulls is featured in this sale. Most certainly the standing of the owner in the industry and the quality of the cattle to be offered make this one of the most important Polled Shorthorn events of the year.

Riverdale x is recognized by good cattlemen everywhere as one of the top sires of the Polled Shorthorn breed. After winning grand championships at the 1946 Illinois, Iowa and Nebraska State Fairs, he was returned to the Hultine herd where he sired their top calves. We paid \$5,000 to secure him in 1948 and have never been sorry. His calves of either sex are the kind upon which successful herds may be founded.

Sporting Field Chief x, reserve champion bull at the 1951 Ohio State Fair. Sire, Commander-in-Chief x. He is being retained for service in the Sporting Field herd. Six heifers in this sale carry his service.

*This sale will feature the get and service of these five great sires:*

**Riverdale x**, the \$5,000 son of Lynnwood Nugget x

**Commander-in-Chief x**, whose calves won first prize in the get-of-sire class at the 1950 and 1951 International Live Stock shows

**Cherry Hill Souvenir x**, a famous son of Collynie Compact x out of Max-walton Pauline 39th

**Cherry Hill Emissary x**, a top son of Collynie Compact x out of a daughter of Imp. Gosshall Ximenes

**Sporting Field Chief x**, the son of Commander-in-Chief x that won reserve championship at the 1951 Ohio State Fair

Commander-in-Chief x. The winning of his calves at 1950 and 1951 shows give him the unquestioned title of Number 1 sire of the breed.

Cherry Hill Emissary x—We bought this son of Collynie Compact x after he had made a great breeding record in Harry McCann's herd at Winchester, Virginia. His calves have found great favor in Eastern sales, the top bull and the top open heifer in the 1950 Shenandoah Valley Sale both being by him. He has been used liberally in our herd and his get and service will be an important part of this sale.

West Hatton Lavender x. Since we do not have any picture of Cherry Hill Souvenir x, we show you instead this picture of one of his daughters. She is typical of his get. She won numerous reserve championships last year and we expect to exhibit her again at 1952 shows.

Cherry Hill Souvenir x was purchased as a calf by Foster M. Reeder in the 1947 Cherry Hill Sale. Immediately thereafter he was exhibited at the International Live Stock Show where he won first prize in the junior bull calf class. We acquired him when we bought the West Hatton herd and, in our opinion, he was worth the price we paid for the entire herd. He is truly a wonderful sire of both bulls and females as you will see on sale day.

Tuscarora Goldie Glow—A very good young cow sired by Cherry Hill Royal Mirth, one of the good sons of Edellyn Royal Leader 2d. This heifer was shown with great success in 1949. Her first calf, Sporting Field Randolph x, is the stock bull in the McDonald herd at Jamesville, Virginia. We were very sorry to lose her second calf, a heifer by Riverdale x because it was certainly a good one. She sells bred to Riverdale x.

Lavender Princess—This cow won the grand championship at the 1947 Maryland State Show and Sale and was the top selling female. We are retaining one of her heifers in our permanent breeding herd. This cow is a great producer as you will agree when you see her calves. She sells bred to Cherry Hill Souvenir.

**When you inspect our  
herd on sale day, please  
observe the good calves  
that are coming on  
for next year's sale.**

Heading away from the barns toward the greenest of the pastures. A few of the grand cows at Sporting Field Farm.

# **Standard Guarantee of the American Shorthorn Breeders' Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
